EDUCATION

The University of Tennessee, Knoxville, Haslam College of Business

Bachelor of Science in Business Administration

Honors Finance Cohort | Business Fellows Honors Program

Major: Finance & Business Analytics | Collateral: International Business

Expected Graduation: May 2027

Cumulative GPA: 3.88/4.00 | 5 Semesters Dean's List

WHU – Otto Beisheim School of Management, Vallendar, Germany

Study Abroad Semester (Exchange Program) | Spring 2026

Honors Finance Cohort, Haslam College of Business

- Built advanced Excel-based financial models, including Black Scholes option pricing, portfolio optimization, and scenario analysis using Solver, dynamic formulas, and structured assumptions to evaluate risk, return, and valuation outcomes
- Implemented bootstrapping and Monte Carlo simulations in Excel using historical return distributions and randomized sampling to model portfolio outcomes, assess downside risk, and estimate probability-based investment results
- Developed an integrated three-statement financial model for the Ceres Gardening case, incorporating revenue forecasts, operating assumptions, capital expenditures, and a cash-revolver plug to evaluate liquidity, risk, and financing needs

PROFESSIONAL EXPERIENCE

Studio JC, Co-Founder, Remote

November 2025 – Present

- Designed and developed personal-brand websites as interactive resumes, focusing on information hierarchy, user flow, and visual structure
- Collaborated with a partner to translate personal branding goals into polished web products, iterating on design and functionality throughout the build process

The Math Place at The University of Tennessee, Tutor, Knoxville, TN, USA

August 2024 – Present

- Delivered concept-based tutoring in finite mathematics, college algebra, and basic calculus by identifying learning gaps and adapting explanations to improve quantitative understanding
- Managed high-volume tutoring sessions with up to 20 students, prioritizing requests and delivering efficient, targeted and individualized support
-

INTERNATIONAL EXPERIENCE

International Business in Germany, *The University of Tennessee*, Munich & Regensburg, Bavaria, Germany

May 2024

- Analyzed Bavaria's innovation-driven and sustainability-focused business environment through site visits, including BMW, FlixBus, Digital Product School, and Munich Composites
- Collaborated with a small team to deliver a 15-minute presentation examining how regional culture and sustainability priorities influence business strategy and innovation

INVOLVEMENT

UT Investment Group, *The University of Tennessee*, Knoxville, TN, USA

February 2025 – Present

- Competed in the Wolf of Wall Street Trading Challenge by managing a simulated portfolio of equities and options to optimize returns
- Expanded investment and trading strategy knowledge through bi-weekly meetings, market analysis, and stock pitch discussions.

Alpha Kappa Psi, *The University of Tennessee*, Knoxville, TN, USA

November 2024 – Present

- Served as a Pledge Educator, mentoring and evaluating two pledges using structured feedback and performance tracking
- Interviewed prospective members and collaborated with the Analytics Team to evaluate pledge class size and recruitment outcomes

Entrepreneurs' Club, *The University of Tennessee*, Knoxville, TN, USA

August 2025 – Present

- Engaged with local business owners and founders through speaker events and developed and refined startup pitch ideas in collaborative team settings

Business Fellows Honors Program, *The University of Tennessee*, Knoxville, TN, USA

August 2024 – Present

- Selected through a competitive application and interview process as part of the top 10% of Haslam students; participated in honors coursework, mock interviews, and professional networking events
